

BAB IX

KESIMPULAN DAN SARAN

IX.1. Kesimpulan

Berdasarkan Kerja Praktek yang telah dilakukan di PT. Lautan Natural Krimerindo (LNK), dapat disimpulkan bahwa:

- PT. Lautan Natural Krimerindo merupakan industri kimia yang bergerak di bidang pangan khususnya *non-dairy creamer* (NDC) dan telah beroperasi sejak 10 Juli 2012.
- Selain memproduksi *non-dairy creamer* (NDC) dengan nama Lautan Krimer dan Fibercreme, PT. Lautan Natural Krimerindo juga memproduksi *dairy creamer* dengan nama Lautan Premix dan Lautan Dairy.
- Secara keseluruhan, proses produksi di PT. Lautan Natural Krimerindo dibagi ke dalam dua proses utama, yaitu proses *wet mixing* (seluruh proses sebelum masuk ke *Spray Dryer*) dan proses *drying* (seluruh proses setelah masuk ke *Spray Dryer*).
- Dalam proses produksinya, PT. Lautan Natural Krimerindo mengutamakan keamanan pangan yang ditunjukkan dari lingkungan produksi yang higienis serta adanya uji kualitas produk secara fisika, kimia, dan biologi, serta mengutamakan keselamatan kerja yang ditunjukkan dari adanya divisi *Health, Safety, and Environment* (HSE).

IX.2. Saran

Dari keseluruhan kegiatan Kerja Praktek di PT. Lautan Natural Krimerindo (LNK), dapat dikatakan sudah berjalan dengan baik. Mahasiswa mendapatkan penjelasan yang rinci dan jelas mengenai dunia kerja, meliputi sistem kepegawaian, kegiatan usaha, pemasaran, uraian proses produksi, utilitas, dan lainnya. Setiap pembelajaran dan kegiatan juga dibimbing dengan baik dan rutin sehingga dapat berjalan dengan lebih terarah. Suasana kantor yang nyaman, keramahan karyawan, dan fasilitas yang memadai merupakan kelebihan tersendiri dalam melaksanakan Kerja Praktek secara kondusif. Untuk mengembangkan program Kerja Praktek di PT. Lautan Natural Krimerindo ke depannya, saran yang dapat diberikan kepada

pihak perusahaan adalah menyediakan fasilitas laptop tambahan, dimana setiap mahasiswa memperoleh satu buah laptop supaya mempermudah dan mempercepat proses pembelajaran dan pengerjaan tugas.
