## Your submission to Nanotechnology: NANO-111355

**Nanotechnology** <onbehalfof+nano+iop.org@manuscriptcentral.com>

to me, lanhadi, yannan.yang, a.meka, restisusanto, c.yu

Dear Dr Hartono,

Re: "Amine Functionalized Cubic Mesoporous Silica Nanoparticles as an Oral Delivery System for Curcumin Bioavailability Enhancement" by Hart Yannan; Meka, Anand; -, Antaresti; Yu, Chengzhong

Article reference: NANO-111355

Thank you for submitting your Paper, which will be considered for publication in Nanotechnology. The reference number for your article is NANO-1 correspondence regarding this manuscript.

As the submitting author, you can follow the progress of your article by checking your Author Centre after logging in to <https://mc04.manuscriptcentral.com/nano> be able to track the progress of your article, read the referee reports and send us your electronic files.

Please do not hesitate to contact us if we can be of assistance to you.

Yours sincerely

Danny Turner and Estelle Hartley-McDonald

## Our initial decision on your article: NANO-111355

**Nanotechnology** <onbehalfof+nano+iop.org@manuscriptcentral.com>

to me

Dear Dr Hartono,

Re: "Amine Functionalized Cubic Mesoporous Silica Nanoparticles as an Oral Delivery System for Curcumin Bioavailability Enhancement" by Hart Yannan; Meka, Anand; -, Antaresti; Yu, Chengzhong

Article reference: NANO-111355

We have now received the referee report(s) on your Paper, which is being considered by Nanotechnology.

The referee(s) have recommended that you make some minor amendments to your article. The referee report(s) can be found below and/or attach reports at your Author Centre, at <https://mc04.manuscriptcentral.com/nano-iop>

Please consider the referee comments and amend your article according to the recommendations. You should then send us the final version together with comments and a list of the changes you have made. Please upload the final version and electronic source files to your Author Centre by 31-Oct-2021.

If we do not receive your article by this date, it may be treated as a new submission, so please let us know if you will need more time.

We look forward to hearing from you soon.

Yours sincerely

Charlotte O'Neale

## Your Nanotechnology article aa4a52 - Article published

**nano@iop.org**

to me

Dear Dr Hartono

Re: "Amine functionalized cubic mesoporous silica nanoparticles as an oral delivery system for curcumin bioavailability enhancement" by Hartono

We are pleased to let you know that your article has now been published online, and is available at <http://dx.doi.org/10.1088/0957-4484/27/50/505>

As this article has now been published, no further proof changes can be made.

You can order reprints of your published article directly from the online article using the "Buy this article in print" button within the Article Information

We are always looking for ways to improve our services for our authors and we would really appreciate it if you could take 10 minutes to complete our survey: <http://freeonlinesurveys.com/s/2W0YYtuS>.

All of your feedback is incredibly valuable to us, and we would like to thank you in advance for your help.

We appreciate your contribution to Nanotechnology, and we hope you will consider sending your next article to us.

Yours sincerely

Vanessa Cheshier and Ellen Perry
