talenta.usu.ac.id/jsti/authorDashboard/submission/4368

Reviewer C:

Paper membahas tentang penjadwalan preventive maintenance dengan metode FMECA:

1. Perlu dijelaskan apa perbedaan prinsip antara FMEA dan FMECA.
2. Bagian Landasan Teori terlalu banyak. Cukup dijelaskan hal-hal yang prinsip saja dengan beberapa detail di beberapa bagian jika diperlukan.
3. Perlu penjelasan apa yang dimaksud dengan trade off pada bagian akhir makalah.

Recommendation: Revisions Required
