THE DIALOGUES OF TEACHER B MEETING 1 ON MONDAY, 13th AUGUST 2001

Class : Good morning Ms.X!

Teacher : Good morning! Now, we will talk about capitalization (Pause) All right!
A(2,4,5) A(1,4,6) A(2,3,6)

Please listen carefully because Monday I will give you a pop test about the sentence, Ok!
A(1,3,6)

Jesse : Always Pop Quiz?

Teacher : Yash, always Pop Quiz, Ok! One last time!
A(2,4,5)

Well, if you have listened to my class, you don't have to worry about this.
A(1,4,6)

Paulus : Just study about ... there is always a Pop Quiz. You can write it now!

Teacher : No! I am not gonna write down. I am not gonna write it down
A(2,3,6) A(1,4,5) A(1,3,6)
because we've already talked about that. You just go home, study at home

and now tell me about interrogative, declarative and exclamatory, Ok!

So tell me then, what is sentence?
A(1,4,6)

Class : Complete thought (Teacher writes)

Teacher : Capital letter. Start with the capital letter
A(2,4,5) A(2,4,5)

Daniel : And period

Teacher : And ends with the period. It ends with? ...
A(2,4,5) A(1,3,6)

Vanessa : The period, or question mark or the exclamatory.

Paulus : Interrogative or exclamatory.

Teacher : OK! What else?
A(2,3,6) A(2,4,6)

Daniel : Complete thought

Teacher : Complete thought (still writing on the board),
A(2,4,6)
OK, so do you think "yes" is the complete thought?
A(1,3,6)

Daniel : No!

Teacher : Are you fine today? "Yes".
A(1,3,6)

Nando : Yes I am fine!

Teacher : Yes, I am fine, OK! So "yes" is not the complete thought so instead will not the sentence.
A(1,4,5) A(1,4,6)
Remember? OK! Now the ones start with the capital letter, with the complete thought
A(1,4,6) A(1,4,6)
and end with the period what do we call them?

Class : Declarative!

Teacher : Declaration, OK! So you know all of these so please prepare.
A(2,4,5) A(1,4,6)
I will give a test for you all on Monday.
A(1,4,6)

A(1,4,6)

A(1,3,6)

A(1,4,6)

And then, one, I will call you to report about that OK

A(1,3,6)

All right because on Monday what I want you to do is I want you to do read the sentence.

A(1,4,6)

And tell me if it is the interrogative, declarative or exclamatory

A(1,4,6)

And sometimes I ask you to put the question mark, period or the exclamatory mark OK

A(1,4,6)

and start with the capital letter. And then finally I want you to make a sentence OK

A(1,3,6)

It's about certain thing, ok, for declarative, exclamatory or interrogative.

A(1,4,5)

Part C, some of you did not do it right, but let us review.

A(1,4,6)

A(1,3,6)

Or I'm gonna tell you what (pause) I'm gonna ask you about interrogative.

A(1,4,6)

A(1,4,5)

OK, so if I ask you what in interrogative sentence, you answer it in declarative sentence.

A(1,4,6)

If I give you a declarative sentence, you gonna answer in interrogative sentence for me.

A(1,4,6)

If I tell you that I'm fine so your interrogative sentence is "How are you today?" all right!

TABLE OF THE DATA ANALYSIS OF TEACHER B MEETING 2				
ON FRIDAY, 24th AUGUST 2001				
SPEECH ACCOMMODATION				
	CONVERGENCE		DIVERGENCE	
	A	B	C	D
Good morning!	x			
I am sorry, I am late.	x			
I thought your class starts at 11.15	x			
I apologize for that.	x			
Ok,now, let's review a while what we have learnt, so you can remember and remember.	x			
If you can remember I will make sure ok	x			
Rule number one, what is sentence, Rayo!	x			
Complete thought	x			
There is one of the rules!	x			
Number two, em Paulus!	x			
Capital, begins in the capital letter	x			
Ends with the period.	x			
Ok, most of the time	x			
Ok, I have said most of the time, it ends with period.	x			
Ok, but sometimes it doesn't have to end with a period.	x			
But capital letter is always, is always there, ok!	x			
For a sentence is always to start with capital letter.	x			
Ok, it might end with period or end with something else	x			
What else that we have?	x			
Question mark.	x			
Ok, now for the sentence that ends with a period, what kind of sentence do we call them?	x			
Declarative, declarative sentence	x			
How about the one that's ends with question mark?	x			
Interrogative sentence.	x			
I'm glad some of you remember.	x			
Ok, now in the declarative sentence what do we need?	x			
Yes! Just telling you, what you are gonna do.	x			
What I'm gonna do.	x			
I am going to Galaxi Mall after school.	x			
Did I ask you?	x			
A question ?	x			
No!	x			
I'm just telling you what I'm gonna do.	x			
Do you have to do something about it ?	x			
No!	x			
You don't have to do anything.	x			
Just say em ok!	x			
Or just how wonderful, too.	x			
Ok, that kind, just telling.	x			
Ok, how about interrogative sentence ?	x			
Asking	x			
"Do you want to follow me to go to Galaxi Mall ?"	x			
Usually you have to answer it.	x			

SPEECH ACCOMMODATION				
	CONVERGENCE		DIVERGENCE

"O yes.	x			
I wanna go.	x			
Ok, that kind.	x			
Today is Friday,	x			
Probably your mom dad will bring you to em, ya!	x			
What's that ?	x			
Yes, Bon café.	x			
Alright.	x			
Ok, so that's why we need to know.	x			
All right!	x			
Now these two sentences are so important that we have more to investigate.	x			
Before that, just tell me is it an interrogative sentence or declarative sentence?	x			
If I, if I ask you an interrogative, I also want you to answer in the declarative sentence.	x			
Ok, complete thought.	x			
Ok, are you ready?	x			
Starting from Alfred.	x			
Are you enthusiastic?	x			
Will you answer that question?	x			
Yes!	x			
That is an interrogative.	x			
But you have to answer the question.	x			
Can you answer that question in the declarative sentence?	x			
Answering in the declarative sentence	x			
Are you enthusiastic?	x			
I've told you this morning about enthusiasm	x			
"Yes, I am enthusiastic".	x			
Ok, so that complete thought	x			
That would be a declarative sentence.	x			
Ok, good.	x			
Em Rayo!	x			
"I was saved by God"	x			
Yes, so you don't have to do anything.	x			
Michael J!	x			
Are you going somewhere after school?	x			
Is there any declarative sentence?	x			
So, you're gonna answer it in declarative sentence.	x			
Now what's your declarative sentence?	x			
complete thought	x			
Capital letter	x			
"Yes, maybe I am going somewhere",	x			
But don't say maybe!	x			
Ok, "you don't know".	x			
That's a declarative sentence.	x			
Ok, now Ian!	x

Yes, that's a declarative sentence	x			
Are you a good boy today?	x			
Yes! So?	x			
He said yes	x			
That is an interrogative sentence	x			
That's not a declarative sentence	x			
"Yes, I am a good boy"	x

All right!		x	x			x							
Please listen carefully because Monday I will give you a pop test about the sentence, Ok!	x		x			x							
Yach, always Pop Quiz, Ok!		x		x	x								
One last time!		x	x			x							
Well, if you have listened to my class, you don't have to worry about this.	x			x		x							
No!		x	x			x							
I am not gonna write down,	x			x	x								
I am not gonna write it down because, we've already talked about that.	x			x	x								
You just go home, study at home and now tell me about interrogative, declarative and exclamatory, Ok!	x		x			x							
So tell me then, what is sentence?	x			x		x							
Capital letter.		x		x	x								
Start with the capital letter		x		x	x								
And it ends with the period		x		x	x								
It end with?	x		x			x							
OK!		x	x			x							
What else?		x		x		x							
Complete thought		x		x		x							
Ok, so do you think "yes" is the complete thought?	x		x			x							
Are you fine today? "Yes".	x		x			x							
Yes, I am fine, OK!	x		x			x							
So "yes" is not the complete thought so instead will not the sentence.	x			x		x							
Remember, OK!	x			x		x							
Now the ones start with the capital letter, with the complete thought and end with the period what do we call them?	x			x		x							
Declaration, OK!		x		x	x

If you can remember I will make sure ok	x		x			x						
Rule number one, what is sentence, Rayo!	x		x			x						
Complete thought		x	x		x							
There is one of the rules!	x		x			x						
Number two, em Paulus!		x	x			x						
Capital, begins in the capital letter		x		x	x							
Ends with the period.		x		x	x							
Ok, most of the time		x	x			x						
Ok, I have said most of the time, it ends with period.	x			x	x							
Ok, but sometimes it doesn't have to end with a period.		x		x		x						
But capital letter is always, is always there, ok!		x	x			x						
For a sentence is always to start with capital letter.	x			x		x						
Ok, it might end with period or end with something else	x		x		x							
What else that we have?	x		x			x						
Question mark.		x	x		x							
Ok, now for the sentence that ends with a period, what kind of sentence do we call them?	x		x			x						
Declarative, declarative sentence		x		x		x						
How about the one that's ends with question mark?	x		x			x						
Interrogative sentence.		x		x	x							
I'm glad some of you remember.	x			x		x						
Ok, now in the declarative sentence what do we need?	x		x			x						
Yes! Just telling you, what you are gonna do.	x		x			x						
What I'm gonna do.	x		x		x							
I am going to Galaxi Mall after school.	x			x		x
