A1 The 1st Lesson Plan for the Control Class

A2 The 1st Lesson Plan for the Experimental Class

A3 The 2nd Lesson Plan for the Control Class

A4 The 2nd Lesson Plan for the Experimental Class

A5 The 3rd Lesson Plan for the Control Class

A6 The 3rd Lesson Plan for the Experimental Class

# APPENDIX A1

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Theme	: Parts of the body and verbs
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

## **I. General Instructional Objective**

- Students are able to acquire the vocabulary related to parts of the body and verbs.

## **II. Specific Instructional Objectives**

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

## **III. Teaching Materials**

### *A. Greeting*

“Good morning students. How are you today ? We will learn some vocabulary today about parts of the body.”

### *B. Pre-instructional Activities*

Answer the following questions.

- \* Can you mention the parts of your body ?

(Bisakah kalian menyebutkan anggota tubuh kalian?)

### *C. Whilst-instructional Activities*

1. The teacher gives the list of vocabulary in the board and ask the students to copy it.
2. The teacher clearly mentions the vocabulary one by one with the translation.

Head	: kepala	Hand	: tangan
Shoulder	: bahu	Feet	: kaki
Knee	: lutut	Happy	: gembira
Toe	: jempol kaki	Sad	: sedih
Eye	: mata	Clap	: bertepuk tangan
Ear	: telinga	Stomp	: menjejak
Mouth	: mulut	Blink	: berkedip
Nose.	: hidung	Nod	: mengangguk

### *D. Post-instructional Activities*

The teacher said some words in the native language and ask the students to mention the English words.

## **IV. Teaching Learning Activities**

The methods used are Translation.

## APPENDIX A2

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Theme	: Parts of the body and verbs
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

---

### **I. General Instructional Objective**

- Students are able to acquire the vocabulary related to parts of the body and verbs.

### **II. Specific Instructional Objectives**

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

### **III. Teaching Materials**

#### *A. Greeting*

“Good morning students. How are you today ? We will learn some vocabulary today about parts of the body.”

#### *B. Pre-instructional Activities*

Answer the following questions.

- \* Can you mention the parts of your body ?

(Bisakah kalian menyebutkan anggota tubuh kalian?)

C. Whilst-instructional Activities

1. The teacher shows the picture of the parts of the body.
  2. The teacher asks the students to TOUCH their parts of the body that shown in the picture.
  3. The teacher asks the students to POINT their parts of the body that shown in the picture.
- (\* For wordlist B, the teacher acts the verbs)
4. The teacher clearly mentions the vocabulary one by one.
  5. The teacher asks the students to repeat with the right pronunciation.
  6. The teacher teaches the rhyme.
  7. The teacher and the students sing the rhyme with action.

A	B
<p><i>Vocabulary :</i> Head, Shoulder, Knee, Toe, Eye, Ear, Mouth, Nose.</p>	<p><i>Vocabulary :</i> Happy, Clap, Hands, Stomp, Feet, Blink, Eyes, Nod, Head.</p>
<p><i>Rhyme :</i> Head, shoulders, knees, and toes (knees and toes)2x Head, shoulders, knees, and toes, eyes, ears, mouth, nose.</p>	<p><i>Rhyme :</i> (If you happy and you know it <u>clap your hands</u>)2x If you happy and you know it and you really ought to show it If you happy and you know it <u>clap your hands</u> * <u>stomp your feet</u> * <u>blink your eyes</u> * <u>nod your head</u></p>

#### *D. Post-instructional Activities*

### **GAMES**

- Each students should prepare a paper and a pen.
- The teacher chooses a students to come in front.
- The teacher whispers some verbs to do or some part of the body to be pointed to the chosen student.
- The other students write the word.

### **IV. Teaching Learning Activities**

The methods used are Nursery Rhymes and Total Physical Response.

### **V. Source and Material**

Media : the picture of parts of the body, handouts.

## APPENDIX A3

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

### **I. General Instructional Objective**

- Students are able to acquire the vocabulary related to parts of the body and verbs

### **II. Specific Instructional Objectives**

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

### **III. Teaching Materials**

#### *A. Greeting*

“Good morning students. How are you today ? We will learn some more Vocabulary about verbs.”

#### *B. Pre-instructional Activities*

Answer the following questions.

- \* Do you still remember our previous lesson?

(Apakah kalian masih ingat pelajaran kita minggu lalu?)

### *C. Whilst-instructional Activities*

1. The teacher gives the list of vocabulary in the board and ask the students to copy it.
2. The teacher clearly mentions the vocabulary one by one with the translation.

Right	: kanan
Left	: kiri
Raise hand	: mengangkat tangan
Wave hand	: melambai
Jump	: melompat
Dance	: menari
Sing	: menyanyi
Cry	: menangis

### *D. Post-instructional Activities*

The teacher said some words in the native language and ask the students to mention the English words.

## **IV. Teaching Learning Activities**

The methods used are Translation.

## APPENDIX A4

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Theme	: Parts of the body and verbs
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

### I. General Instructional Objective

- Students are able to acquire the vocabulary related to parts of the body and verbs.

### II. Specific Instructional Objectives

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

### III. Teaching Materials

#### A. Greeting

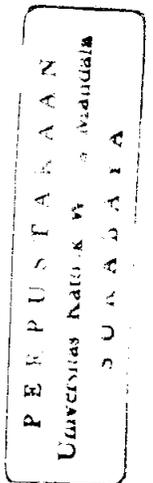

“Good morning students. How are you today ? We will learn some vocabulary today about parts of the body.”

#### B. Pre-instructional Activities

Answer the following questions.

- \* Do you still remember our previous lesson?

(Apakah kalian masih ingat pelajaran kita minggu lalu?)

### C. Whilst-instructional Activities

1. The teacher shows the picture of the parts of the body.
  2. The teacher asks the students to TOUCH their parts of the body that shown in the picture.
  3. The teacher asks the students to POINT their parts of the body that shown in the picture.
- (\* For wordlist B, the teacher acts the verbs)
4. The teacher clearly mentions the vocabulary , one by one.
  5. The teacher asks the students to repeat with the right pronunciation.
  6. The teacher teaches the rhyme.
  7. The teacher and the students sing the rhyme with action.

<b>TPR study :</b>	<b>Nursery Rhyme :</b>
Turn right! Turn left!	Raise your right hand,
Raise your hand!	Raise your left hand,
Wave your hand!	Wave your hand 2x
Jump!	Jumping 3X
Dance!	Dancing 3X
Sing!	Sing, sing, sing
Sit down!	Don't you cry

#### *D. Post-instructional Activities*

### **GAMES**

- Each students should prepare a paper and a pen.
- The teacher chooses a students to come in front.
- The teacher whispers some verbs to do by the chosen student
- The other students write the word.

### **IV. Teaching Learning Activities**

The methods used are Nursery Rhymes and Total Physical Response.

### **V. Source and Material**

Media : the picture of parts of the body, handouts.

## APPENDIX A 5

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

### I. General Instructional Objective

- Students are able to acquire the vocabulary related to parts of the body and verbs

### II. Specific Instructional Objectives

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

### III. Teaching Materials

#### A. Greeting

“Good morning students. How are you today ? We will learn some more vocabulary about verbs.”

#### B. Pre-instructional Activities

Answer the following questions.

- \* Do you still remember our previous lesson?

(Apakah kalian masih ingat pelajaran kita minggu lalu?)

### *C. Whilst-instructional Activities*

1. The teacher gives the list of vocabulary in the board and ask the students to copy it.
2. The teacher clearly mentions the vocabulary one by one with the translation.

Kick	: menendang
Run	: berlari
Run in place	: lari di tempat
Walk	: berjalan
Forward	: maju
Backward	: mundur
Stand up	: berdiri
Sit down	: duduk

### *D. Post-instructional Activities*

The teacher said some words in the native language and ask the students to mention the English words.

## **IV. Teaching Learning Activities**

The methods used are Translation.

## APPENDIX A6

Educational level	: Elementary School
Subject	: English
Skill	: Vocabulary acquisition
Theme	: Parts of the body and verbs
Grade / semester	: 3 / 2
Time	: 1 x 45'

---

---

### I. General Instructional Objective

- Students are able to acquire the vocabulary related to parts of the body and verbs.

### II. Specific Instructional Objectives

- Students know the spelling of the words correctly
- Students can pronounce the words correctly
- Students can use the words in a sentence

### III. Teaching Materials

#### A. Greeting

“Good morning students. How are you today ? We will learn some vocabulary today about parts of the body.”

#### B. Pre-instructional Activities

Answer the following questions.

- \* Do you still remember our previous lesson?

(Apakah kalian masih ingat pelajaran kita minggu lalu?)

*C. Whilst-instructional Activities*

1. The teacher shows the picture of the parts of the body.
2. The teacher asks the students to TOUCH their parts of the body that shown in the picture.
3. The teacher asks the students to POINT their parts of the body that shown in the picture.

(\* For wordlist B, the teacher acts the verbs)

4. The teacher clearly mentions the vocabulary one by one.
5. The teacher asks the students to repeat with the right pronunciation.
6. The teacher teaches the rhyme.
7. The teacher and the students sing the rhyme with action.

<b>TPR study :</b>	<b>Nursery Rhyme :</b>
Kick your right foot!	Kick your right foot,
Kick your left foot!	Kick your left foot,
Run!	Run in place 2x
Run, faster!	Walking 2X forward
Walk forward!	Walking 2X backward
Walk backward!	Standing up,
Stand Up!	Sitting down
Sit Down!	

#### *D. Post-instructional Activities*

### **GAMES**

- Each students should prepare a paper and a pen.
- The teacher chooses a students to come in front.
- The teacher whispers some verbs to do by the chosen student
- The other students write the word.

### **IV. Teaching Learning Activities**

The methods used are Nursery Rhymes and Total Physical Response.

### **V. Source and Material**

Media : the picture of parts of the body, handouts.

B1 The Pilot Test

B2 The Result of the Pilot Test

B3 The Statistical Analysis of the test items

B4 The Revised Test Items

B5 The List of Pilot Group Report

B6 The Statistical Analysis of Group Equivalence

# APPENDIX B1

Name : \_\_\_\_\_

Class/No : \_\_\_\_\_

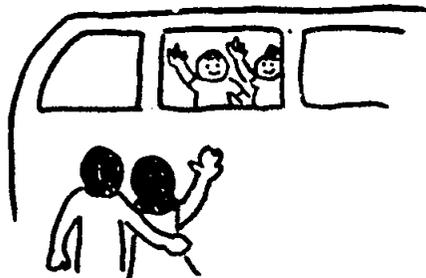

1. My mother's ..... is beautiful.

- a. ears
- b. nose
- c. head
- d. eyes

2. The children in the bus are ..... to their parents.

- a. clapping
- b. waving
- c. standing
- d. sitting

3. Budi and Amir are ..... to the class because they are late.

- a. walking
- b. jumping
- c. standing
- d. running

4. The children are ..... over the block.

- a. kicking
- b. jumping
- c. walking
- d. running

5. Siti and Anna are ..... in the park.

- a. walking
- b. running
- c. jumping
- d. kicking

6. Toni's sock is torn. His ..... is coming out.

- a. toe
- b. knee
- c. finger
- d. foot

7. Wash you ..... before you eat!

- a. body
- b. face
- c. hands
- c. foot

We use our ..... to smell.

- a. mouth
- b. nose
- c. ears
- d. eyes

We use our ..... to listen.

- a. mouth
- b. nose
- c. ears
- d. eyes

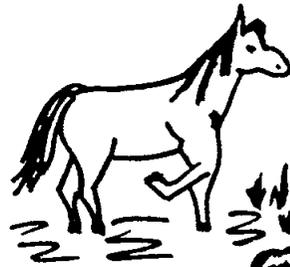

0. We use our ..... to eat.

- a. mouth
- b. nose
- c. ears
- d. eyes

1. The horse is ..... its feet.

- a. blinking
- b. jumping
- c. clapping
- d. stomping

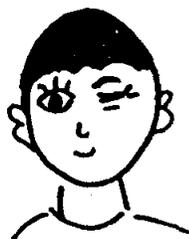

2. The children in the class are singing and .....

- a. blinking
- b. jumping
- c. clapping
- d. stomping

3. Rudi is ..... his eyes because the light is too bright.

- a. blinking
- b. jumping
- c. clapping
- d. stomping

4. If we are agree, we will ..... our head.

- a. shake
- b. wave
- c. nod
- d. blink

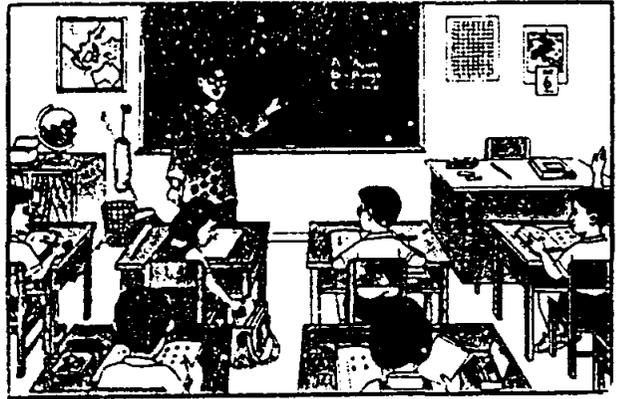

5. Toni is ..... the ball into the yard.

- a. playing
- b. stomping
- c. kicking
- d. raising

6. The children are ..... in the classroom.

- a. standing
- b. sitting
- c. raising
- d. sleeping

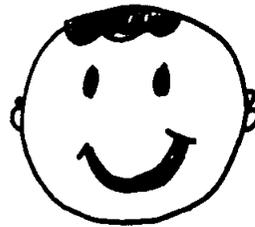

7. The teacher is ..... in the classroom.

- a. standing
- b. sitting
- c. raising
- d. sleeping

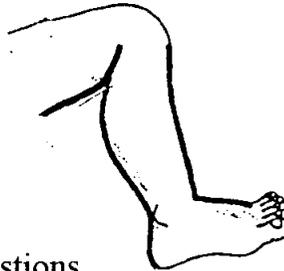

8. If you are ..... you will smile.

- a. sad
- b. angry
- c. hungry
- d. happy

9. My father's ..... is painful.

- a. knee
- b. foot
- c. hand
- d. toe

10. Please ..... your hands if you have any questions.

- a. wave
- b. clap
- b. stomp
- d. raise

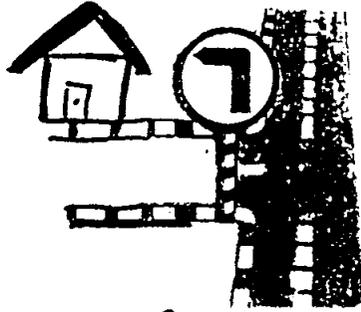

11. My ..... is dizzy.

- a. body
- b. hands
- c. head
- d. face

22. My house is in the ..... side.

- a. middle
- b. right
- c. left
- d. way

23. The people are ..... in the party.

- a. dancing
- b. standing
- c. sitting
- d. moving

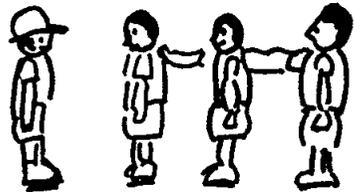

24. Ani is ..... because she don't have any friends.

- a. happy
- b. sad
- c. cheerful
- d. angry

25. The children are holding their friends' ..... and standing in line.

- a. body
- b. hands
- c. shoulders
- d. arms

26. Rina is ..... because she just fell down.

- a. blinking
- b. crying
- c. singing
- d. dancing

27. Dina is ..... in front of the class.

- a. blinking
- b. crying
- c. singing
- d. dancing

28. We eat with our ..... hand.

- a. right
- b. left
- c. middle
- d. finger

- c. head
- d. eyes

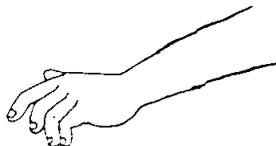

3. Toni's sock is torn. His ..... is coming out.

- a. toes
- b. knee
- c. finger
- d. foot

4. Wash you ..... before you eat!

- a. body
- b. face
- c. hands
- d. foot

5. We use our ..... to smell.

- a. mouth
- b. nose
- c. ears
- d. eyes

6. We use our ..... to listen.

- a. mouth
- b. nose
- c. ears
- d. eyes

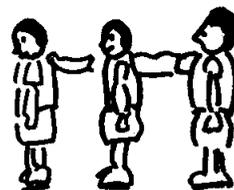

7. We use our ..... to eat.

- a. mouth
- b. nose
- c. ears
- d. eyes

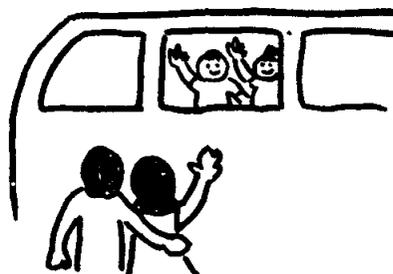

8. The children are holding their friends' ..... and standing in line.

- a. body
- b. hands
- c. shoulders
- d. arms

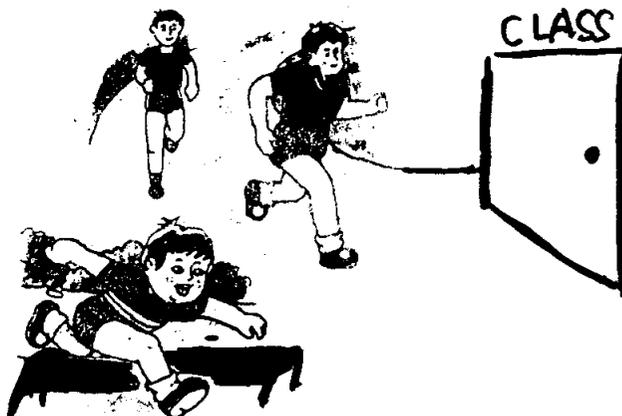

9. The children in the bus are ..... to their parents.

- a. clapping
- b. waving
- c. standing
- d. sitting

10. Budi and Amir are ..... to the class because they are late.

- a. walking
- b. jumping
- c. standing
- d. running

11. The children are ..... over the block.

- a. kicking
- b. jumping
- c. walking
- d. running

12. The children in the class are singing and .....

- a. blinking
- b. jumping
- c. clapping
- d. stomping

13. Rudi is ..... his eyes because the light is too bright.

- a. blinking
- b. jumping
- c. clapping
- d. stomping

14. If we are agree, we will ..... our head.

- a. shake
- b. wave
- c. nod
- d. blink

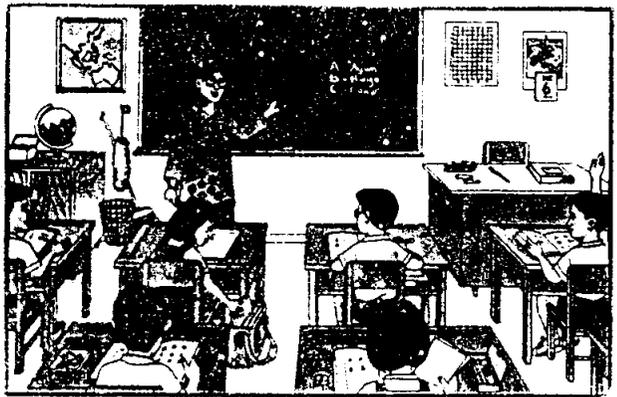

15. Toni is ..... the ball into the yard.

- a. throwing
- b. stomping
- c. kicking
- d. raising

16. The children are ..... in the classroom.

- a. standing
- b. sitting
- c. raising
- d. playing

17. The teacher is ..... in the classroom.

- a. standing
- b. sitting
- c. raising
- d. playing

18. The people are ..... in the party.

- a. dancing
- b. standing
- c. sitting
- d. moving

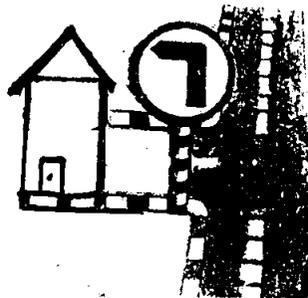

19. If you are ..... you will smile.

- a. sad
- b. angry
- c. hungry
- d. happy

20. My house is in the ..... side.

- a. middle
- b. right
- c. left
- d. way

## APPENDIX B5

38	Toni Kang	7.5	7.5	6.5	7	6	8.5	6.5	8	8	6.5	6.5	7	85.5	7.125

TEST OF HYPOTHESES:

1. Ho :  $\mu_A = \mu_B$ , there is no significant difference between the mean groups.  
 Ha:  $\mu_A \neq \mu_B$ , there is significant difference between groups.

2. t-test, where  $df = n_A + n_B - 2 = 76$   
 $t(5\%/2) = 2.00$

3. Calculation for t observation ( $t_o$ ):

A: EXPERIMENT

$$\bar{x} = \frac{\sum x}{n} = 7.4122 \quad n = 41$$

$$s = \sqrt{\frac{n(\sum x^2) - (\sum x)^2}{n(n-1)}} = 0.74067$$

B: CONTROL ( Wordlist)

$$\bar{x} = \frac{\sum x}{n} = 7.31351 \quad n = 37$$

$$s = \sqrt{\frac{n(\sum x^2) - (\sum x)^2}{n(n-1)}} = 0.73377$$

$$t_o = \frac{\bar{x}_A - \bar{x}_B}{\sqrt{\frac{(n_A - 1)s_A^2 + (n_B - 1)s_B^2}{n_A + n_B - 2} \left( \frac{1}{n_A} + \frac{1}{n_B} \right)}} = 0.59016$$

4. Conclusion:

Because the magnitude of t observation smaller than t table so Ho is accepted. Hence we conclude that there is no significant difference between groups.

CALCULATION FOR t-TEST

## TEST OF HYPOTHESES:

1. Ho :  $\mu_A = \mu_B$ , there is no significant difference between the mean groups.  
Ha:  $\mu_A \neq \mu_B$ , there is significant difference between groups.

2. t-test, where  $df = n_A + n_B - 2 = 86$   
 $t(5\%/2) = 2.00$

3. Calculation for t observation (to):  
A: EXPERIMENT

$$\bar{x} = \frac{\sum x}{n} = 7.4122 \quad n = 41$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 0.74067$$

### B: CONTROL ( Wordlist)

$$\bar{x} = \frac{\sum x}{n} = 7.37234 \quad n = 47$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 0.56133$$

$$t_o = \frac{\bar{x}_A - \bar{x}_B}{\sqrt{\frac{(n_A - 1)s_A^2 + (n_B - 1)s_B^2}{n_A + n_B - 2} \left( \frac{1}{n_A} + \frac{1}{n_B} \right)}} = 0.28652$$

### 4. Conclusion:

Because t observation is smaller than t table thus Ho is accepted.

Hence we conclude that there is no significant difference between the two groups.

## TEST OF HYPOTHESES:

1. Ho :  $\mu_A = \mu_B$ , there is no significant difference between the mean groups.  
Ha:  $\mu_A > \mu_B$ , the mean score of A group is greater than mean score of B group.

2. t-test, where  $df = n_A + n_B - 2 = 86$   
 $t(5\%) = 1.671$

3. Calculation for t observation (to):  
A : EXPERIMENT ( Storytelling)

$$\bar{x} = \frac{\sum x}{n} = 76.5854 \quad n = 41$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 16.1802$$

B : CONTROL ( Wordlist)

$$\bar{x} = \frac{\sum x}{n} = 72.9787 \quad n = 47$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 17.0568$$

$$t_o = \frac{\bar{X}_A - \bar{X}_B}{\sqrt{\frac{(n_A - 1)s_A^2 + (n_B - 1)s_B^2}{n_A + n_B - 2} \left( \frac{1}{n_A} + \frac{1}{n_B} \right)}} = 1.01336$$

#### 4. Conclusion:

Because t observation is smaller than t table thus Ho is accepted.

Hence we conclude that there is no significant difference between the two groups.

SD	6.836505312	---	7.011949626	---

## TEST OF HYPOTHESES:

1.  $H_0$  :  $\mu_A = \mu_B$ , there is no significant difference between the mean groups.  
 $H_a$ :  $\mu_A < \mu_B$ , mean score of A group is smaller than B group.

2. t-test, where  $df = n_A + n_B - 2 = 86$   
 $t(5\%) = -1.671$

3. Calculation for t observation (to):  
A : EXPERIMENT

$$\bar{x} = \frac{\sum x}{n} = 10.3659 \quad n = 41$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 6.83651$$

### B : CONTROL ( Wordlist)

$$\bar{x} = \frac{\sum x}{n} = 19.4681 \quad n = 47$$

$$s = \sqrt{\frac{n(x^2 - (\sum x)^2)}{n(n-1)}} = 7.01195$$

$$t_o = \frac{\bar{X}_A - \bar{X}_B}{\sqrt{\frac{(n_A - 1)s_A^2 + (n_B - 1)s_B^2}{n_A + n_B - 2} \left( \frac{1}{n_A} + \frac{1}{n_B} \right)}} = -6.1455$$

### 4. Conclusion:

Because t observation is smaller than t table thus  $H_0$  is rejected.

Hence we conclude that the difference between the two groups is significant.
