2. Revision : minor revision, graphic pic added (September, 23, 2024)

The screenshot shows the 'Workflow' tab of the OJS submission system. The 'Submission' step is highlighted. The 'Round 1' status box indicates 'Submission accepted.' The 'Reviewer's Attachments' section shows 'No Files'.

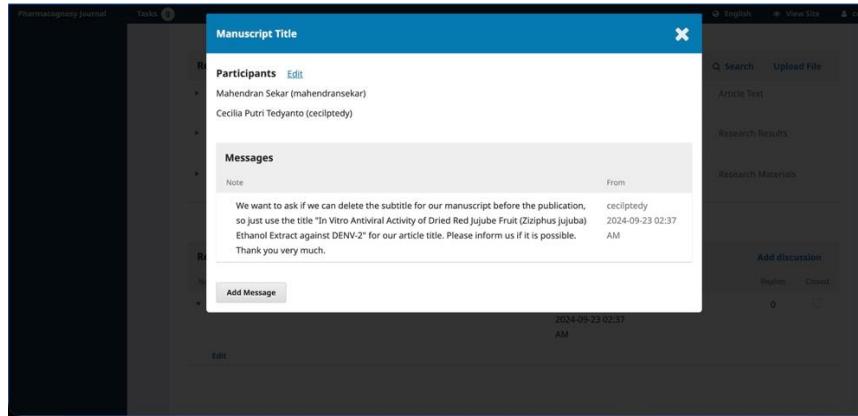

The screenshot shows the 'Revisions' section with three entries: '4722-1 Article Text, PJ_Main Article.docx' (September 23, 2024, Article Text), '4723-2 Research Results, Figure 2. Percentage of DENV-2 inhibition by various concentrations of dried red jujube fruit.png (2)' (September 23, 2024, Research Results), and '4726-1 Research Materials, Figure 1. Percentage of Vero cell viability treated with various concentrations of dried red jujube fruit.png' (September 23, 2024, Research Materials). Below this is the 'Review Discussions' section, which is currently empty.

3. Paper accepted (September, 23, 2024)

4. Author requested title adjustments (September, 23, 2024)

5. Adjustment approved (September, 23, 2024)

6. Published (October 2024)
