Note	From
Dear Author(s), We have decided on your submission to the Indonesian Journal of Tropical and Infectious Disease, "Analysis of SARS-CoV-2 Variants that Cause Severe COVID-19 in the Elderly" Our decision is: Revision Required The revision is due on January 24, 2025 Please revise according to the all nates and add a highlight of your revision. ----- Reviewer 1 Good explorative study of SARSCOV2, however in introduction it will be better to provide more reasons on why writer conduct plaque culture cell experiments and explain its relations with antibody forming in elderly. The sentences in one paragraph need to support one idea. check the writing style and grammatical errors. Title is too general, it will be good if more specific.	ijtid 2025-01-17 10:32 AM

REVIEW FORM

THE AIM OF THIS FORM IS FOR GIVING ARTICLE ASSESSMENT

MANUSCRIPT TITLE: Analysis of SARS-CoV-2 Variants that Cause Severe COVID-19 in the Elderly

Specific Comment:

- **There is no explanation of the origin of the virus used in this research. Do those come from patients with severe COVID-19 in the elderly?**
- **The research result do not reflect the title of the research. There is no relationship between virus variant and the severity of symptoms and age**
- **Please include permission for research ethics review this research**

Recommendation:

☐ **a. This text worthy of publication:**

☐ Direct

☐ With a little improvement

☐ With many improvements

☐ **b. This text is not worth published**

Revised Article:

☐ To be returned to me

☐ No need to be returned to me

Have you ever been know the similar research with this manuscript?

(By its tittle, methods, result or all of the part. If yes, please mention it)

None

Regard: Acceptance Letter

Dear Silvia Sutandhio

We are pleased to inform you that the following paper has been officially accepted for publication:

Manuscript ID	: 65484
Type of manuscript	: Original Article
Authors	: Silvia Sutandhio, Laura Wihanto, Cecilia Putri Tedyanto, Sentot Santoso
Received	: March 20, 2025
E-mail	: doctorsutandhio@gmail.com

<https://e-journal.unair.ac.id/IJTID>

Your manuscript titled **Analysis of SARS-CoV-2 Variants that Cause Severe COVID-19 in the Elderly** has been accepted and will be finalized for the coming issue in 2025. However, before sending the manuscript to the press, I will send you the press-ready copy (galley format) for your final checking.

We will now make the final preparations for publication, then return the manuscript to you for your approval.

Sincerely,
Editor in Chief

The image shows the logo of the Indonesian Journal of Tropical and Infectious Disease (IJTID) on the left, which includes the text "Indonesian Journal of Tropical and Infectious Disease" and "Institute of Tropical Disease - Universitas Airlangga". To the right of the logo is a handwritten signature in black ink.
