Dear Presenter,

We have received your abstract via the conference's email as we suggested earlier due to the traffic of the conference website, so many of presenters who want to contribute to the conference could not access the website.

However, you are encouraged to submit the abstract through the conference's website once more. All abstract must be reviewed by the competent reviewer. The review activity will be done through the website's system. If your abstract remain in email, your abstract will not be reviewed. Then, the Committee cannot decide whether your abstract is accepted or not. Therefore, the Committee cannot send the **Notification of Acceptance** to the presenters who send the abstract through email.

Here are the steps how to submit the abstract via website.

1. Please REGISTER by clicking the link: <http://www.teflinunipasby.or.id/regs.php>
2. Fill out the registration form
3. Choose the CATEGORY for LOCAL or INTERNATIONAL PRESENTER
4. Then, the link for ABSTRACT TITLE will appear. Type the title of your abstract.
5. BROWSE ABSTRACT to attach your abstract.
6. Type the text that is written.
7. Finally click SUBMIT

We are waiting for your abstract submission through website.

Best regards,
