Dear Wenny Irawaty,

We are pleased to inform that your paper AOI32 has been accepted for RSCE 2019 conference. Please find the attached for reviewer's comments. We strongly recommend that you address the reviewer comments and make the necessary corrections as suggested.

Your revised paper can be submitted through the system from 5th until 16th Sep 2019. We wish to draw your attention to the following matters:

1. Please submit your paper in word document. Please do NOT submit a pdf file.
2. Please ensure that your paper follows the conference paper template. The paper guidelines can be found [here](#) and the template can be found [here](#).
3. Please name the file using your paper code only. For example, AOI20, CRE1 etc.
4. The paper submitted during this period must be final as it will be processed for possible publication in IOP conference series.
5. We strongly advise that you check the similarity index (e.g., using Turnitin) to ensure a similarity index of less than 30%. This is to comply with the regulation of IOP conference series.
6. We wish to remind you that, by submitting a full conference article and publishing in IOP Conference Series, the authors are assumed to accept the terms of the Proceedings Publication Licence as outlined [here](#). In addition, the authors must have applied for, and obtained, permission to reproduced in electronic form any copyright materials (e.g., figures from another article) to be included in the conference article. The copyright permissions, if any, must be supplied when submitting the full paper.

We look forward to receiving your revised paper, and your participation in 26th Regional Symposium on Chemical Engineering, Kuala Lumpur, Malaysia.

Regards,

RSCE2019 Secretariat
