The Writer : I do. I also read the book of it.

Subject : Do you collect all the books of Harry Potter?

The Writer : No, I borrow it from my friends but I'm planning to collect all the books of Harry Potter.

Subject : Wow, it must cost much

The Writer : Definitely. Tomorrow I'm planning to buy the latest book of Harry Potter at Gramedia.

Subject : Have you bought the first book?

The Writer : Not yet

Subject : So why do you want to buy the latest book if you don't have the First book?

The Writer : I have read the previous six books but I haven't read the latest book so I plan to buy the latest first so I can read it.

Subject : Weird person.

The Writer : Whatever. Would you like to accompany me tomorrow to go to Gramedia?

Subject : What for?

The Writer : Take a pee! Of course to buy a book of Harry Potter.

The Writer : What makes you so busy?

Subject : You know me, I'm a diligent student. I'm not you.

The Writer : Hm...okay. I'm not diligent but I'm smarter than you.

Subject : According to you

The Writer : Okay, let's me ask you a question to test your knowledge.

Subject : Okay.

The Writer : Do you know who's the actor played in P.S. I Love You?

Subject : Out of context.

The Writer : No, it shows that I'm smarter than you.

Subject : No way.

The Writer : If you don't know then I'll tell you. This Saturday I'm going to watch that movie on theatre with some friends. Would you like to join us so you know who the actor is.

Subject : Why should I come with you?

The Writer : So you know who the actor is. Furthermore, it's a good movie.

Subject : I'm sorry I can't because I don't like drama

The Writer : Wow... you have a lot of reasons not to go with me.

Subject : It's just you are asking me not in the right time or movie that I don't like.

The Writer : Just kidding. Next week, I'm also planning to go for a shopping with some friends. Don't tell me that you can't go with us.

Subject : When?

The Writer : Saturday night.

Subject : I can't. I have to go to church.

The Writer : You're so religious. Hm...I'll not ask you to go with me again then if you always say no.

Subject : Don't be angry bro

The writer : Okay, I'll not be angry if you accompany me to go to canteen

Subject : I can't. I have to go with my friends.

The Writer : Poor me
