SPEECH:

from 5D class

Good morning friend I'm Viny and this is my friend ^A
 We're from the Wings of peace, my job is as the
 president & I will make ^a some speech about the rules &
 maybe you could give some ^{me} coments or suggestions later.
 The reason why I've chosen the Wings of peace was
 because in the first time I don't know what's the
 name and the symbol, but that time I suggest to make
 the symbol first, that will be easy to make the name
 later. But then the idea just came out from my head,
 and we agree that we call it Wings of piecece.

Peace

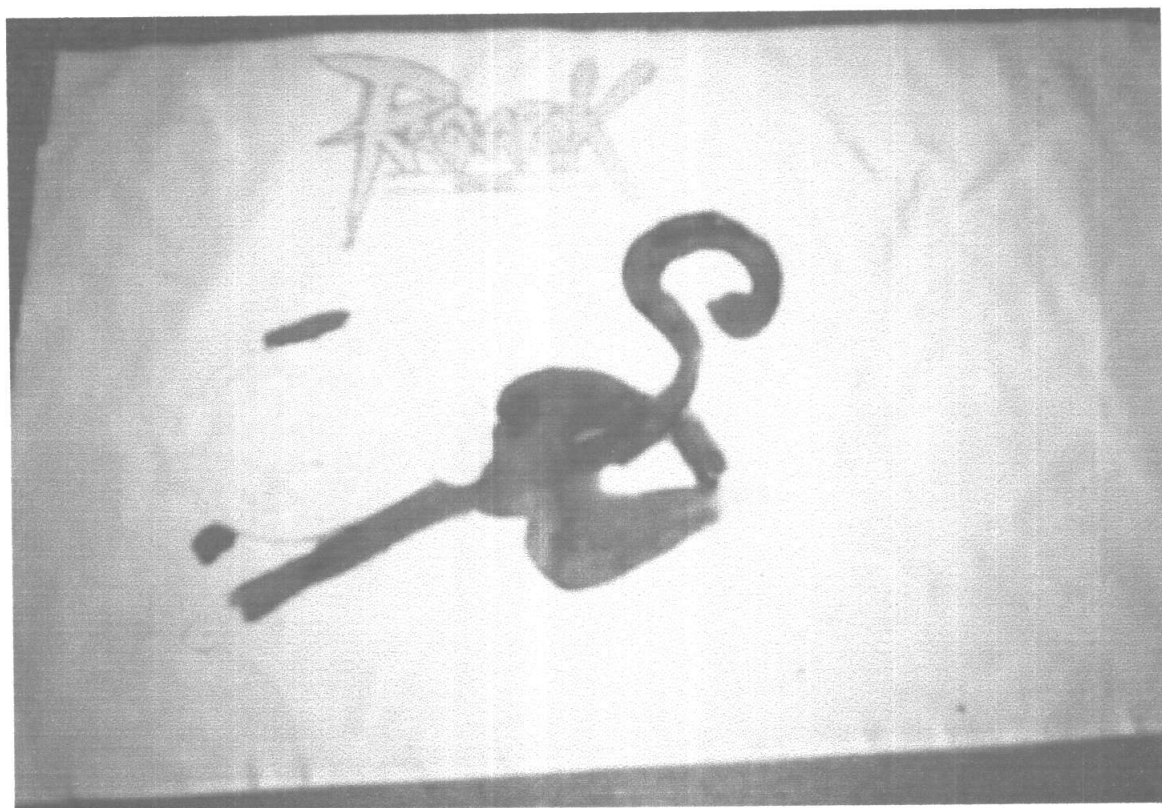

Now I'll tell you about my ideas. First we'll have the Summer camp, ^{retreat} to a beautiful places, a party every month, low^e the canteen price, check to the UKS every week, we'll have some class competitions about the cleanest class, and for the academic students we'll send him/her to the school from another country but if he/she doesn't want - to that's ok.

You know, I have some rules and if you^{don't} ~~are~~ not agree with it, you can give some coments later. My idea about the rule is: you could bring hp or game boy, but you take care it, you could wear free clothes every Wednesday & Thursday, the students must ^{do} maximum work, you could watch video twice in a week, no running in class or corridor except for emergency, you should wear neat clothes, you can't change your hair colour, low^e the kopras price, and you could make your own party but you should ask the permission to class teacher.

permission

Ok I think that's enough, so does anybody have a coment or idea? (finish) I think that's all my speech and thank you for listening.

GROUP III : RAGNAROK PARTY (R . O . P)

PEECH

If our party is elected & I'm the president I will make the changes to the school rules

➤ Can use free clothes but your class teacher choose. If tomorrow your teachers say wear yellow so all students in the class use yellow. Because if your friend or teacher's looking at you will not bored. *Teacher too

➤ Every day come to school start from 09.00 - 15.00 & only 4 days come to school. Because if I arrived ^{at} school at 07.15 AM, that's too early for every one and in the school every one still feels sleepy so not concentrate in the lesson. Oh! Ya! 1 more thing if I ^{am} usually at school 6 ~~& 15~~ hours ^{mins} now I change it become 5 hours only, arrived at school 09.00 AM & go home at 15.00 pm because if ^{it's} too long in school maybe you feel bored coming to school.

➤ Can use tattoo, hair style & hair colours ^{to} come to school because I want freedom to choose how can I look it is ok if you don't want to use. it

➤ I will give each student & teacher 1 id card & each time ^{they} go to school ~~if~~ pos because I want to make the school safe so ^{if} disguise want to kidnap someone cannot come in because we have security system.

so if someone disguises as AS A kidnapper they cannot come into school.

GROUP IV : WORLD WARRIORS FALCON (W . W . F)

PRESIDENT

1.
 - Student can have free time on each lessons for 30 minutes
 - Each class have 20 students
 - Each student must have a pentium 4 laptop with windows XP system from school
 - The foods should be free
 - Students can wear free clothes
 - The school must give the student, hand phone Nokia 7200 and 3200
 - Student start school at 7.30 then go home at 12.30
 - You come to school 3 times for a week
 - The school must have sauna, jacuzzi, shower
 - The students mustn't pay the school fee so it's free.

Well friends, today ~~us~~ my group will present our campaign for school. My name is Robin J. and I'm the president in the WWF Campaign. WWF Campaign means world warrior falcon. I give this name because warrior is strong & falcon is also strong, smart, rapid & this two kinds of a power. So now I'm gonna start my comments.

The students can have free time for 30 minutes each. They can read the books for activity, drawing so to ~~so~~ make them fresh again & not lazy. So the free time is refreshing them. In each class have 20 students because if ^{there are} too many, it's going to be so noisy. Each student must have perfume & labtop with windows XP system from school ~~lab~~ so they can get more information & complete their work on the labtop. The students can have their meal free even the cost of the food is expensive because the students will not be hungry if they have no money. The students can ~~by~~ ^{wear} free clothes if they want, because so they will not be bored. The school should give the students Nokia hand phone 1200 & 5200 so because if they miss something about school equipments/book they can call home. My friends, the students start the school at 7.30 - 12.30 so they weren't be tired. All of the students in the school come 3 times a week in the school so if they have to go out with families, they can go early. The school must have sauna, jacuzzi & hot water shower to make them

be fresh and not tired. The students mustn't pay the school fee so it's free because the school fee actual is expensive.

so I have finished my comments today.
