Dear Dr. Ayucitra,

Welcome to Asia-Pacific Journal of Chemical Engineering - Manuscript Central site for online submission and review. An account has been created for you as Co-Author on a manuscript.

Your case-sensitive USER ID and PASSWORD for your account at <https://mc.manuscriptcentral.com/apjce> is as follows:

USER ID: D10506821@mail.ntust.edu.tw

PASSWORD: https://mc.manuscriptcentral.com/apjce?URL_MASK=61091abc477b46b48e32ea4a7ef47ccf

Use the above USER ID and PASSWORD to login and check the status of papers you have authored/co-authored. Once logged in, you may also update your account information and change your password.

Thank you for your participation.

Sincerely,

Asia-Pacific Journal of Chemical Engineering Editorial Office

By submitting a manuscript to or reviewing for this publication, your name, email address, and affiliation, and other contact details the publication might require, will be used for the regular operations of the publication, including sharing with the publisher (Wiley) and partners for production, publication and improvements to the authoring process. The publication and the publisher recognize the importance of protecting the personal information collected from users in the operation of these services, and have practices in place to ensure that steps are taken to maintain the security, integrity, and privacy of the personal data collected and processed. You can learn more at www.wiley.com/privacy. In case you don't want to be contacted by this publication again, please send an email to H.Yao@curtin.edu.au.

Subject: Asia-Pacific Journal of Chemical Engineering - Decision on Manuscript ID APJ-21-0060.R1

01-Apr-2021

Dear Dr. Angkawijaya and Dr. Ayucitra,

It is a pleasure to accept your manuscript entitled "Graphene oxide-carboxymethyl cellulose hydrogel beads for uptake and release study of doxorubicin" in its current form for publication in Asia-Pacific Journal of Chemical Engineering.

If your paper contains Supporting Information: Materials submitted as Supporting Information are authorized for publication alongside the online version of the accepted paper. No further Supporting Information can be submitted after acceptance. It is the responsibility of the authors to supply any necessary permissions to the editorial office.

Your article cannot be published until the publisher has received the appropriate signed license agreement. Within the next few days the corresponding author will receive an email from Wiley's Author Services system which will ask them to log in and will present them with the appropriate license for completion.

Thank you for your contribution.

Sincerely,

Dr. Hong Mei Yao
Editor
Asia-Pacific Journal of Chemical Engineering
