ACKNOWLEDGEMENTS

Much help did I get from various sources in accomplishing this thesis. Hereby, I wish especially to thank Dr.D.Wagiman A,MA and Drs.Y.G.Harto Pramono,MPd, for their patience in reading the manuscript and their valuable suggestions for its improvements.

I also wish to thank Dr.Wuri Soedjatmiko who has given the chance to continue my thesis, and Drs.Soetarjo Surjoseputro,MS, the first and the second Rector Assistant, the headmaster and the English teacher of SMU Katolik Santo Stanislaus Surabaya for their generosity in giving the chance to me to conduct the experiment test in their school.

I would like to express my deepest gratitude to all lectures of the English Department of Widya Mandala University for their encouragement and kind guidance during my studies in this Department, my friends who have given their help and participation, my beloved husband and my loving family for their support and help to me during my thesis.

I think without them, this thesis would not have been accomplished as it is.
